Sir:

PRELIMINARY AMENDMENT

Please add the following claims 38 through 41.

38. A compound archery bow comprising first and second bow limbs having axle pins therein, an anchor cable having a first end fixed on the axle pin of said first bow limb and being the only cable fixed on the axle pin of said first bow limb, and having a second end of said anchor cable fixed to an eccentrically mounted cam mounted on the axle pin of said second bow limb, a bowstring cable attached to the eccentrically mounted cam, which is let out from the eccentrically mounted cam, and a return cable attached to the eccentrically mounted cam which is let out from
